

Authorized Honeywell Generator Distributor

275 Wagaraw Road, Hawthorne, NJ 07506 • (973) 427-3320 ~ fax (973) 427-6981

3 Day Home Standby Generator Service Training

This 3 Day class will train technicians and field installers on the installation, basic troubleshooting and repair of Generac/Honeywell air-cooled generators and associated transfer switches. All service technicians can attend to gain knowledge on the proper installation, basic troubleshooting and repair of the units covered. Upon successful completion of this course, you will be better prepared to provide a complete quality installation and professional troubleshooting. You will be eligible to sign up to be an authorized service dealer.

Class	Start Date	End Date
3 Day Air Cooled Generator	July 14, 2015	July 16, 2015
3 Day Air Cooled Generator	August 4, 2015	August 6, 2015
